

- 1 **All members and visitors shall carry and display their respective member/visitor ID badge at all times while on the Club premises.**
- 2 The Club Calendar provides a reasonable number of matches in the WAPA ISSF, PA and Single Action Disciplines to meet minimum WAPOL activity requirements. ISSF "Centre Fire" includes Sport Pistol and WSPS matches. "WA1500" includes Revolver, Pistol, Optic, 60 & 48 shot matches.. "UON" means unless otherwise noted.
Sport Pistol for men is permitted as an activity for Club matches BUT NOT for Club Championships or any Open event.
- 3 Only matches shot during the period covered in the Club Calendar will be recorded for activity purposes. Matches shot outside the official Club Calendar start and end dates may only be recorded for activity with prior approval of the Management committee.
- 4 If three or more shooters are present then there must be a designated non shooting Range Officer.
- 5 If you are the only member in attendance and you are ready to shoot a SATURDAY or SUNDAY Calendar match you may shoot on your own, complete your score sheet and deposit it in the Score slot under the office window to record an activity. Add a notation on the score sheet to state you were the only shooter there at the time to shoot that match. Midweek matches require not less two shooters.
- 6 Calendar matches take precedence over practice shooting and informal matches. Ranges D,E,F and G are predominantly for normal Calendar 25 m/yd matches, unless otherwise directed by the Club Captain.
- 7 No Club shooting or practice is allowed on any range during a Club hosted State Championship or Busy Bee. During a Club hosted Open, which may require a limited use of Club ranges, the Committee may permit member match or practice shooting on designated ranges as shown on the Club Calendar.
- 8 **Use of fully or partial Jacketed projectiles and/or magnum load ammunition is prohibited on all ranges.**
- 9 **Shooting Days and Times**
 - (a) **RANGE CLOSED** - All live fire shooting is totally prohibited **ALL DAY Christmas Day and Easter Friday and until 1.00pm on Anzac Day.**
 - (b) **RANGE OPEN** times for live fire shooting are - Monday to Saturday incl, between 8.30am to 7.00pm. Sundays & Public Holidays between 9.30am to 7.00pm. Note the Club operates under a NOISE MANAGEMENT PLAN so live fire shooting outside these hours is totally prohibited. Termination of membership may be applied to offenders. RED flag must be up during live fire shooting.
 - (c) **MATCH START TIMES** - Live fire match start times:- 9.30 am and 1pm Mon, Wed, Sat, Sun and Public holidays. However, due to the limited bays on RANGE G the morning match on **RANGE G** may start from 8.30am on Mon, Wed and Sat **ONLY**. As a courtesy to others in the Live Fire matches shooters should be at the match range 30 minutes before the start time to assist in setting up. Late arrivals should not join into a match detail if it has started so as not to disturb those already competing.
 - (d) **WEEKDAY MATCHES** - Calendar matches for Standard, Centre Fire, Rapid , BP25, BP50, BP Int'l, WA1500/60/48, Service, Service UNR and Service25 to count for activity purposes are permitted on Monday and Wednesday starting from 9.30am and 1.00pm **BUT not less than two competitors** are required in the match to allow the match to be recorded for activity.
 - (e) **AIR PISTOL** -Only permitted on Range A and designated training areas. Air pistol Calendar matches for activity compliance are held on Wednesdays from 5.30pm and Saturdays and Sundays at 9.30am. Air Pistol practice may be shot on any day but in compliance with Note 7 above.
- 10 **Minimum Activity Requirements**
 - (a) All members are responsible for their WAPOL compliance activity for their Club supported firearms AND that their match scores are correctly submitted to the Club Scorer. No score recorded means no activity recorded. It is YOUR responsibility to comply with YOUR activity requirements. Only matches shot in a scheduled Calendar match can be considered for activity.
 - (b) Only **one match** from each of the **ISSF, PA and Single Action Disciplines** shot on any one day can be recorded as an activity for that day in accordance with WAPOL regulations.
 - (c) CFPC will not record score results from other clubs for activity unless specifically requested by the member and received by our Club Scorer in an approved format to count towards WAPOL activity . Example of accepted format:- copy of the host club published match results, or copy of the score sheet results from the away shoot, detailing the date, match and bearing the name and signature of a host club official or recognised nominee from the host club.
 - (d) Both the "Primary Licence" AND "Co-Licence" (also called "Cross-Licence" or "Co-User") holder of Club supported firearms must comply with all activity requirements as per WAPOL and WAPA Regulations which includes details shown in the table below.
 - (e) The minimum number of official calendar matches that a member must complete and be recorded for activity purposes in each year for Club supported firearms are as tabulated below. Regulations require defaulters must be reported to WAPA and WAPOL. Only scores attained on Calendar Wednesday mornings (Para 9(d)) and Saturday and Sunday matches count towards Activity.

Club Supported Pistols/Disciplines	Minimum No. of Calendar Matches
1 or more ISSF pistol only	6 ISSF matches
1 or more PA pistol only	6 PA matches
1 or more Single Action pistol only	6 Single Action matches
If pistols held in two or more Disciplines	4 matches in each of the disciplines

11 Use of Holsters on the Range.

Pistol Australia has advised that "holster use is only permitted during the designated PA holster matches which are "Service Pistol", "WA 1500 Revolver" and "WA1500 Pistol" and only by those with a current PA holster licence. Holster use is not permitted by any competitor during any other PA , ISSF and Single Action matches".

However, in addition to the three holster matches shown above, CFPC will permit the following holster use for **Club Matches only**:

- (a) Unloaded revolvers/pistols **may be carried** in PA approved holsters only on Ranges G and H during Club Service Unrestricted and Service 25 matches during the match while under the direction of the Range Officer, or if practice shooting on your own. See the Club Captain or Holster Accreditation Officer to have your holster checked and approved.
- (b) Holsters **shall not be permitted** for use in any other discipline or matches. For ISSF, Black Powder and Single Action matches, unloaded firearms may only be carried in gun bags or boxes if taking them forward of the firing line if the firearms are not being supervised by the Range Officer or as when practice shooting on your own.
- (c) The use of holsters as described in 11(a) and 11(b) above is **only applicable to CFPC Club matches**. Pistol Australia rules shall apply for all PA and WAPA authorised events in which holster use is required whether at the CFPC range or elsewhere.
